

ITALIAN MOSAIC

OCTOBER 1 - 14, 2018 (14 DAYS, ROME TO ROME)

On this Italy tour-our most popular vacation-not only will you visit the main Italian cities-Rome, Venice, Florence, Milan, and Assisi-you'll also get to enjoy some of the smaller towns and scenic attractions. You'll visit the must-see sights in the cities, such as the Vatican Museums in Rome, Michelangelo's David in Florence, St. Mark's Square and Basilica in Venice, the glass-domed Galleria in Milan, and much more. One tour highlight is Pompeii, which was completely buried during the eruption of Mount Vesuvius in 79 AD. This preserved town gives you an amazingly detailed look into life at the peak of the Roman Empire. Admire the paintings still on the walls, and look for the early fast-food restaurants beloved by ancient Romans.

You'll also have an opportunity to relax in the laid-back town of Sorrento. Explore the cobblestone streets lined with shops and restaurants, delight in the amazing views, watch the sunset dip into the sea, and see Mount Vesuvius across the bay. You'll also have time in beautiful Capri, where celebrities go to "get away from it all."
